

RED CROSS LEADERS . . . Newly installed officers of the Torrance-Lomita Branch of the American Red Cross are shown posing at the award given Mrs. Gordon Jones for leadership in the blood recruitment program. They are from left: Henry Rogers, first vice chairman; Dr. Warren H. Low, chairman; Stanley Remelmeier, retiring chairman, and Mrs. Jones, second vice chairman.

Dr. Warren Low Named Chairman Of American Red Cross Branch

Torrance-Lomita Branch of once before in this area. A corsage of orchids from fellow volunteer workers was presented by Mrs. William Cochran.

Stanley Remelmeier, retiring chairman, was master of ceremonies. Dick Felker, chairman of the nominating committee, served as installing officer for Dr. Warren H. Low of Lomita, chairman; Henry Rogers, of Lomita, first vice chairman; Mrs. Gordon S. Jones, second vice chairman; Henry Halverson, third vice chairman; Mrs. Frank Fagan, treasurer. Members of the South Bay Chapter of National Secretaries Assn. will contribute secretarial services throughout the year.

Highlight of the evening was the presentation of a "Certificate of Appreciation" by Victor Davenport, regional director for the Red Cross in the Harbor area, to Mrs. Gordon Jones, blood recruitment chairman, for her leadership and the number of volunteer hours contributed to the Red Cross program. This is a national award and in the past six years has been presented only to

the new board of directors are: Myles Don Cowden, Wade Bridges, Robert Orsini, Walter West, Thomas Hayton, C. Earl Conner, Nick Zuppardo. Others are: Mrs. Frank Remelmeier, Dr. Don C. Moschos, William H. Cochran, Mr. F. Echler, George Coiburn, David Figueiredo, W. A. Felker, Sherman E. Waldron, Ray Wyatt, Wm. Cowan, Nicholas O. Dralle, John Stanton, Rev. Howard A. Rose, and Rabbi Hyman Frank.

Attend Convention

Kenneth L. Anderson, president of the Torrance Kiwanis Club, and his wife, Shirley, were in Chicago, Ill., last week to attend the 63rd annual convention. This is a national convention.

LOTS OF BEEF . . . Members and wives of the South Bay chapter of the Building Contractors' Assn. get ready to eat 80 pounds of beef cooked in O'Keefe & Merritt barbecue residential gas oven at recent meeting of the group. Chef Leo Shibley offers first samples to area builder and his wife, Mr. and Mrs. Charles Pickney, of Palos Verdes.

Pvt. Richard M. Brogan, his wife, Laura, lives at 5 Cinching rd., Rolling Hills. They have three children: Macbeth, 16; Kenny, 12 and Kathy, 10. Major Fess is assigned to Headquarters, USAF, in the Pentagon.

Brogan received eight weeks of training in news writing, press photography and radio and television techniques.

The 23-year-old soldier entered the Army in October 1957 and completed basic combat training at Fort Carson, Colo.

He was formerly employed by the Montana Power Company in Billings. A member of Lambda Chi Alpha fraternity, Brogan was graduated from Central Catholic High School, Billings, in 1952 and the University of Denver in 1957.

His parents, Dr. and Mrs. Richard E. Brogan, live in Billings, Mont.

Major Kenneth R. Fess, 7 Johns Canyon Rd., Rolling Hills, was one of the 620 officers graduated on June 13 from the USAF Command and Staff School at Maxwell Air Force Base, Ala. This is a 10-month course given to selected field grade officers to train them for positions of greater responsibility.

Major Fess graduated from the Torrance High School in 1934, University of California in 1949, and North Carolina State College in 1955. He enlisted in 1942 and was commissioned a pilot in 1943. He served in the Central Pacific during World War II with the Twentieth Air Force. He holds the Distinguished Flying Cross and the Air Medal with three clusters. He is a member of Alpha Chi Sigma social fraternity.

18 Classrooms Approved by School Board

Preliminary plans and specifications for 16 classrooms and other facilities at five Torrance elementary schools were approved Tuesday night by the Torrance Board of Education.

The board action paves the way for final plans, which will be presented later this summer. Construction is expected to start this fall on the additions at Walteria, Steele, Edison, Madrona, and Torrance Elementary Schools.

Seven classrooms, shop and homemaking additions, and a storage facility are planned at Walteria School, while Steele, Edison, and Madrona schools will have additions of four classrooms each, all of steel precast construction.

In addition, Madrona will get a music unit. A new cafeteria kitchen and connecting arcade are set for Torrance Elementary School.

Proponents of the present law, which allows tax exemption for all non-profit private schools will speak for 20 minutes. An equal amount of time will be used by those who advocate denial of tax exemption to non-profit private schools owned by religious organizations.

COMPLETES BASIC . . . Pvt. Charles G. Morris, son of Mr. and Mrs. Charles E. Morris, 1429 W. 215th St., recently completed the eight-week basic Army administration course at Fort Leonard Wood, Mo. Morris entered the Army in October 1957. He was graduated from Narbonne High School in 1957.

Teacher Takes Special Class For Sightless

A Torrance elementary teacher is taking a special six-week course in the techniques of teaching children with impaired vision under a \$200 scholarship provided by the Torrance Lions Club.

Mrs. Martha Jensen, a Steele School teacher last year, is taking the course at San Francisco State College, preparing to teach the partially sighted youngsters in Torrance next year. She is taking classes in structure and function of the eye, principles and methods of teaching partially sighted children, and principles of Braille education of the blind. She will return about Aug. 1.

Blind and sight conservation work is one of the major projects of Lions Clubs and the local club donated the scholarship upon learning that there is a great shortage of teachers for the children with impaired vision. During the past year the club also paid for eye examinations and glasses for 60 children, purchased a Braille writer, and paid the hospital bill for a child's eye surgery.

A teacher here for three years, Mrs. Jensen indicated interest in teaching the partially sighted if the could obtain the necessary schooling.

STRENGTH

the big reason Builder Kemp is an American Saver

Sure... a high rate of interest and insurance up to \$10,000 on every account were important considerations when Builder Don Kemp was deciding where to open a savings account... but the real reason that he selected American Savings was that he considered it to be one of the strongest institutions of its kind in the entire United States.

Builder Kemp wanted to be absolutely sure his money would be available when he needed it... which might be to meet an emergency... but would preferably be to help pay for his retirement needs.

His engineer's training had taught him to look for the facts, and here's what he found out about AMERICAN SAVINGS:

\$150,000,000 in Assets - one of the nation's 20 largest.

\$14,000,000 in Reserves - one of the strongest in the country, with a vast fund of ready cash.

Founded in 1920 with a record of 36 years of uninterrupted

interest payments to four generations of American Savers.

\$6,000 Accountholders, with many accounts active for more than 30 years.

Ratio of Reserves to Savings

Federal requirement - 8%

National average - 8%

American Savings and Loan - 11%

These facts convinced Builder Kemp - of Kemp Bros. Corp., Los Angeles and Whittier - that AMERICAN SAVINGS was the Strongest, and since opening his account he has become convinced that it is also the most Convenient.

Nine regional offices are ready to serve you... or you can save completely by mail. Money deposited by the 16th came interest from the 1st. Make a note to drop in at the office nearest you... or simply put a note in the mail.

Interest paid quarterly - 4% current annual rate
